DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant's representative notified the Examiner that a reference on the IDS submitted on 9/15/03 lacked initials on an entry and requested clarification if the reference had been considered or not. The reference was considered and the Examiner had inadvertently not initialed the reference. This communication resolves that deficiency. Attached is page 5 of 6 of the IDs submitted on 9/15/03 with the reference initialed by the Examiner.
